

**Course:** OCCUPATIONAL HEALTH & SAFETY ACT LEGAL LIABILITY**Duration:** 1 day

---

This course is aligned to: SAQA Unit Standard 15225 – Identify and interpret related legislation and its impact on the team, department or division and ensure compliance, NQF Level 4

STEAM LCS makes use of registered facilitators, assessors and moderators when presenting courses.

---

**Course Objectives**

This course is intended for all managers who should know the requirements of the Occupational Health and Safety Act and the consequences of non-compliance. It will be useful for managers at all levels as well as Safety and Security officers, Compliance officers and learners in commercial and industrial insurance.

**Course Outcomes**

At the end of this course, with the use of the learning resources, the learners will be able to:

- Explain the basic principles of the Act and accompanying Regulations.
- Explain the requirements for minimum compliance stipulated in the Act.
- Interpret the management controls required to achieve compliance.
- Explain the obligations of managers in terms of communication and training.

**Target Group**

- Section 16 (2) Legal appointees
- Management, Supervisors
- SHE Officers

**Pre-Requisites**

It is advisable and highly recommended to have prior knowledge and skill in terms of Occupational Health and Safety within an organizational structure before enrolling into this course.

**Language**

This course is presented in the English language.

**Learning Material**

Delegates will receive the FULL version of the Occupational Health & Safety Act and Regulations.

**Course Requirements**

It is always much more effective if we use your own company documentation during training. It is suggested that you bring your relevant legal information (Appointments, duties and functions, policy statement, etc.) and any other related documentation to this training session.

**Certification & Assignment**

After completion of the course the learners will be issued with a Certificate of Attendance.
